The Minister for Social Policy has issued the above mentioned Regulations in November 2008. A copy is being attached for your information.

The Council for the Professions Complementary to Medicine (CPCM) is inviting registered health care professionals to apply for the granting of the licence by the President as stipulated in LN 277 of 2008. Thus, to be granted the licence, you are hereby requested to duly fill up the attached application form and submit proof of your work experience in the relevant healthcare profession.

You are to be informed that the Codes of Practice for the health care professions regulated by the CPCM can be viewed from the CPCM website (www.sahha.gov.mt – Regulatory Councils – Council for the Professions Complementary to Medicine).
